## **67. Thank you for completing Part 1 of the survey.**

We will contact you again for the **final part of the survey tomorrow**.

We ask that you try to remember all the people you contact tomorrow. You will be asked to list these contacts in the next part of the survey. We suggest using a pen and paper or the notes app on a phone if possible, to regularly record and update your list of contacts throughout the day.

**Contacts are people whom you meet in person, and with whom you either:**

- speak with, or
- physically touch (e.g. a handshake, hugging, kissing, engaging in contact sports, sharing cups or utensils, etc).

These might be:

- At home (e.g. direct family, neighbours, friends, tradesmen or delivery drivers).
- During your commute (e.g. passengers in a car, station, train, or bus).
- At your workplace (e.g. colleagues or clients).
- At college or university (e.g. coursemates or lecturers).
- While running errands (e.g. shopkeepers and customers at a supermarkets, pharmacies, or petrol stations).
- At any other locations (e.g. friends or acquaintances at the pub, cinema, gym, sports club, or a religious gathering).

**Note that a person who you speak to through the phone or over the internet is not defined as a contact, and should not be listed. Everyone else should be listed.**

We will ask for some information on each contact, including:

- their age, gender, ethnicity, occupation, and their relationship to you
- locations where the contact occurred, whether the contact involved any physical skin-to-skin contact, how much time you spent with this person in total

It may not be possible to give precise answers to each of these characteristics for all questions, in which case provide an estimate.

If you have any questions, please contact the research team at [uksocialcontactsurvey@lshtm.ac.uk](mailto:uksocialcontactsurvey@lshtm.ac.uk) \*

- I have read the above, and understand I will be asked to list all the people who I will contact tomorrow.
- I understand that a contact is any person who I meet in person and have a verbal or physical exchange with, and does not include any person who I only speak to online or over the phone.
